EXPLOSIVE CARGO ON VESSELS IN PORT/PIERSIDE**

This survey is distributed by the SIU/MSC CMPI 610 bargaining committee. The purpose of the survey is to allow negotiators to receive information directly from unlicensed CIVMARS as to how ammunition and explosives are loaded and transferred by the unlicensed crew aboard MSC vessels.

Your input is valuable. Please complete this survey carefully.

This information will be considered during the current CMPI 610 negotiations and during the post-implementation period when MSC and SIU evaluate the impact of the new work rules.
