Re: Consent to Receive Certain Plan Documents by Electronic Delivery

Dear Plan Participant:

We are sending this letter to you because you are eligible for benefits now or may become eligible for benefits in the future from the Seafarers Benefit Plans ("Plans"). The Plans currently mail certain non-confidential plan documents to you. The same information is available online at www.seafarers.org, and may be contained in the Seafarers LOG or provided at Union meetings. You also have the option to receive these non-confidential documents electronically, instead of by mail. Electronic delivery provides you the convenience of immediate access to these documents with an internet connection.

These non-confidential plan documents include Summary Plan Descriptions (SPD), SHBP Summary of Benefits and Coverage, Annual Funding Notices, notices regarding changes in benefits, and other notices required by federal regulations. If you consent to electronic delivery, the Plans will send you an email when an important non-confidential plan document is available online at www.seafarers.org, rather than mailing the document to you. If you change your mind, you can still receive the documents free of charge by mail upon request. In order to withdraw your consent to electronic delivery you must notify the Plans' Administrator in writing. ***Of course, the Plans will continue to mail documents to you that contain confidential information such as Explanation of Benefits, Account Statements, Medical ID Cards, and any document that contains personal information.***

In order to access documents from www.seafarers.org you must have access to an electronic device with internet access, such as a computer or smart phone, which is compatible with software that can view Portable Document Format (PDF) files, such as Adobe Acrobat Reader® version 6.0 or higher.

If you would like to consent to the electronic delivery of these plan documents, complete and return the enclosed form by: e-mail: map@seafarers.org; fax: (301) 702-6061; or mail: Seafarers Benefit Plans, Attn: MAP, 5201 Auth Way, Camp Springs, MD 20746.

If you have any questions regarding this notice, contact the Seafarers Member Assistance Program at (800) 252-4674 (Option 2) or map@seafarers.org. Additional information regarding the Plans can be found online at www.seafarers.org under the Member Benefits tab.

Sincerely,

Margaret R. Bowen
