Dear Plan Participant:

The Seafarers Health and Benefits Plan (Plan) is sending you this letter and enclosed documents because according to the Plan's records, it appears that you may be eligible for pensioner health benefits from the Plan in January 2021. The following documents are enclosed:

- **Summary of Benefits and Coverage** (SBC) – These documents briefly describe the benefits that will be available from the Plan at the **Pensioners' Medicare level and at the Pensioners' Non-Medicare level**. If you believe that you will be eligible to receive a different level of benefits, please contact the Plan to request a different booklet; or you may view the SBCs for all Plan levels online at www.seafarers.org. The SBC is **not** a guarantee of benefits. The Plan's Rules and Regulations determine whether you are eligible for benefits.
- **Women's Health and Cancer Rights Act Notice** – describes benefits available from the Plan related to treatment of breast cancer.
- **Notice of Premium Assistance under Medicaid and the Children's Health Insurance Program** – describes financial assistance that is available in certain states to pay health plan premiums. The Plan does not have a premium, but we are required to send this notice to you.

Reminder about the Plan's Grandfathered Status

The Plan would also like to remind you that the Seafarers Health and Benefits Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer

protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 5201 Capital Gateway Drive, Camp Springs, MD 20746.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

Questions

If you have any questions about these benefits, or about the coverage that you receive from the Plan, you may contact the Plan at 1-800-252-4674. You may also view additional information about your health coverage at www.seafarers.org, by clicking on "About" and then clicking on "Health and Benefits Plan" under the "Benefit Plans" heading.

Sincerely,

The Seafarers Health and Benefits Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act.

As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 1-800-252-4674. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

To see examples of how this plan might cover costs for a sample medical situation, see the next section.
